Company Profile

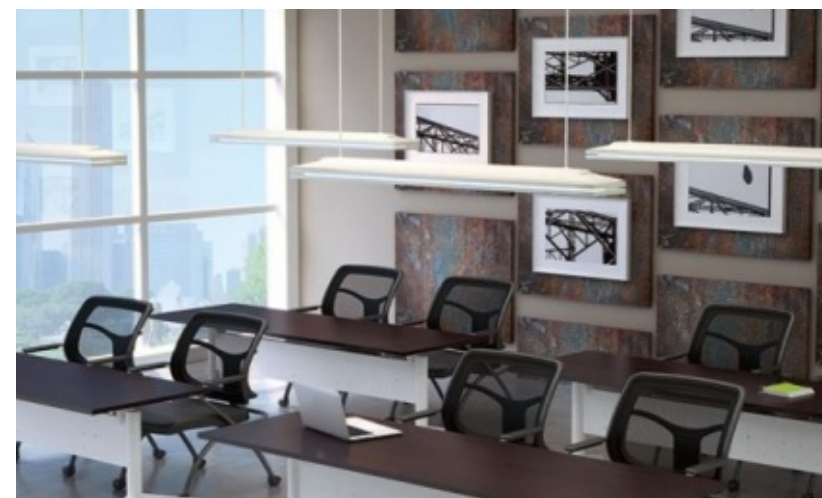

Reliable Hub's is a leading company in the ASEAN region with more than 20 years of experience in the retailing industry which provides One-Stop solutions for the supply of Office Furniture, Office Desks etc.

With the rapid growth of India and the resultant growth in Modern Retail one of the primary challenges faced by retailers is enhancing the experience of customers with the best retail equipment without paying a very high price.

We at Reliable Hub's are proud of being part of a dynamic taskforce with time-proven skills and expertise which has seen our company grow and spread throughout the ASEAN region including the emerging markets of India and China.

2/3 Seater Benches

- These are Classic and traditionally designed considering the ergonomics of various age group kids.
- Manufactured using a combination of metal frames and wooden body which provides outstanding sturdiness and durability.

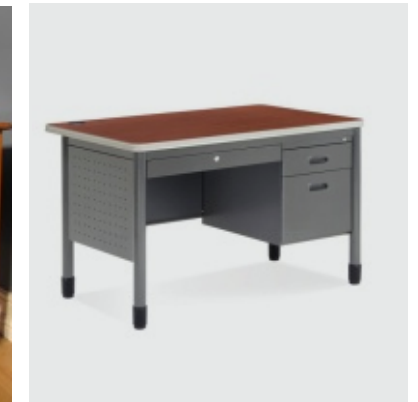

Computer Tables

- Coming-of-age designs to suit the latest sizes and shapes of computer systems available in the market.
- A complete manufacturing setup ensures simple yet elegant looks through exquisite workmanship.
